

# CERTIFICATE

## The company

**FEROZE1888 MILLS LIMITED**  
Plot # C3, S.I.T.E  
Karachi, PAKISTAN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **20210K0341**

## for the following articles:

**Terry towels and bathrobes made of 100% cotton white, reactive fibre dyed, reactive piece dyed and reactive yarn dyed and made of polyester/cotton white and melange (polyester fibre dyed). 100% Cotton reactive dyed or white towel, dyed cotton/polyester (undyed) towel or polyester/cotton white towel, with insert of polyester dyed yarn or black dope dyed polyester. Flour sack made of 100% cotton woven fabric in white or reactive dyed. Including accessories like sewing thread, woven label and printed labels made of white polyester taffeta and satin taffeta. Products partly finished with biological active products accepted by Oeko-Tex®. Partly based on pre-certified material according to STANDARD 100 by Oeko-Tex®.**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 6, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 6 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 2014OK0973 is valid until 31.01.2022**
